### Parking Pass Allocation:

Exhibitors are allocated close in parking passes as listed below:

- Companies who have **MORE** than 200 square feet of exhibit space will receive **(2)** close-in parking passes.
- Companies who have 200 square feet or **LESS** of exhibit space will receive **(1)** close-in parking pass.

**\*\*Please note:** if you need additional parking passes, please email your company name to [militaryexpo@nielsen.com](mailto:militaryexpo@nielsen.com). These additional passes will be for **parking at OCS only**.

### Parking Overview:

You will need to show your parking pass at the gate and make sure it is visible from your windshield. Please also be prepared to show your driver's license and another ID at the gate each time you enter the base. Please carpool when possible to leave parking spaces available for attendees.

Two close-in parking lots are located adjacent to Lejeune Field and are within walking distance to the Expo site. Once you enter the base gate, the event signage and Military Police will direct you to these parking lots.

During move-in (Saturday, September 27 – Monday, September 29) exhibitors may park on Chapel Field which is adjacent to Expo site and within walking distance. However, starting on **Tuesday, September 30<sup>th</sup>, Chapel Field** will be designated for **Attendee Parking only** and exhibitors will park in the close-in lots adjacent the Expo Site. If these close-in lots become full, exhibitors will be directed to park at Quantico's Officer Candidate School (OCS). Continuous shuttle service will be provided between OCS and the Expo site to/from this area. There is an alternate exit route to Highway 1/Jeff Davis that will help you bypass the traffic exiting the main gates.

There will be a shuttle to take exhibitors to/from the Expo site. We realize this may be inconvenient but appreciate your cooperation as this allows the attendees to have easy access to the Expo and your booth.
