

Discount Deadline: Friday, September 12, 2008

Company Name: _____ **Booth Number:** _____

ELECTRICAL SERVICES & LABOR – PAGE 1 OF 2

- All orders must be prepaid. Orders cannot be processed without full payment.
- Attach any information, diagrams, etc. which will assist our staff.
- Electrical power for lights and displays will be turned on one (1) hour prior to show opening and off at the show closing time daily.
- All equipment regardless of source of power must comply with all federal and local safety codes.
- Prices indicated are for the entire show.
- Each outlet is considered one actual plug-in.
- All outlets for in line and peninsula booths will be installed in the back center at the drape line. Island booth outlets will be brought to one location only.
- Please see second page to determine if Electrical Labor is required for your booth.
